Dear Sir,

Tug "EMPIRE LOLA".  
Rankin & Blackmore's Engine No. 516.

The present is to enclose Leith Forging Certificate No. 144, for an Intermediate Shaft which was replaced during construction.

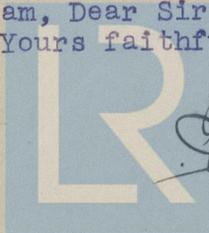

Apparently, the certificate for the rejected Intermediate shaft was forwarded in error with the First Entry Report on the Machinery in April, 1946.

In the circumstances please be good enough to return to this Office the Certificate for the rejected shaft (Shaft No. 9867 WAL. 9.10.45), and replace same by certificate No. 144 herewith.

With apologies for troubling you in this matter.

I am, Dear Sir,  
Yours faithfully,

The Secretary,  
LONDON.
