

Lloyd's Register of Shipping,

Merchants' Exchange, Bute Street,

Cardiff, 21st. June 1921.

ENCLOSURE.

Dear Sir,

In reply to your letter of the 17th. instant respecting the machinery survey held on the Steamer "MANOA", Cardiff Report 42,713, I beg to state that, in my opinion, the safe working pressure of the Main Boilers should be entered in the Register Book as 220 lbs. provided the furnaces be again examined within six months time, say December 1921. Ltr 4a to be attached to Report enclosed herewith.

I am, Dear Sir,

Yours faithfully,

The Secretary.
