PORTLAND, OREGON.

December 14, 1920.

The Secretary,
New York.

Dear Sir:-

With reference to your letter of December 7th regarding report No. 603 on the wood steamer "PARTHIA", we beg to state that Lead Pans with a Coaming were fitted underneath the Oil Tanks in accordance with the Rules.

We regret that this was not mentioned in our report.

Yours very truly,

(Signed) Walter Lang.
