Dear Sir,

We beg leave to forward a translation of a letter we have received from the Sjøfartskontor from which you will note that the wood vessel "PARTHIA" has sustained damage to the machinery and that the hull is leaking.

On receipt of this information we communicated with the owner asking him when and where she could be inspected and repaired and he informs us that she is being repaired at Halifax and proceeds from there to Dundee where she can be surveyed on arrival.

We shall therefore feel obliged if you would kindly inform the Dundee Surveyors of this.

We are, Dear Sir,

Yours faithfully

THE SECRETARY

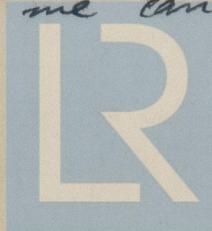

LLOYD'S REGISTER

LONDON.

Manuel Ribon

P.S. Please let us know the result of the Dundee Surveyors report, so that we can inform the Sjøfartskontor.
