

Motor Vessel. "Parthia" ex "Avance"
1st Entry & Damage Reports P. On Rpts 577 & 603

This vessel's ^{bil} engines were made by J W Svenson's Mfg Co. Augustendal not under this Society's Supervision & the donkey boiler was made under Special Survey by the Main Iron works.

The vessel was completed in Nov 1919 and was again under Survey from Dec 1919 to Aug 1920 on account of damage due to fire water & ice

The machinery was opened out & examined & considerable repairs ^{& renewals} effected to the main engines & auxiliaries

It is submitted that
this vessel is eligible for
THE RECORD. LMC. 820.
