Dear Sirs,

With reference to the entry in your return of vessels under survey dated the 4th instant relative to the motorship "RUTH", ex "AVANT", I shall be glad to learn whether any action has been taken on the present occasion regarding the Screw Shaft Survey and Modified Survey of the Oil Engines which became due at the end of last month. If not, you will be good enough to let me know what arrangements are proposed to be made for these inspections to be carried out.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary

The Surveyors,

COPENHAGEN.
