21st November, 1921.

Dear Sirs,

H. With reference to your reports Nos. 32115 and 32114 on the steamers "EDWIN DOUGLAS" and "EMBLETON" respectively, I have to request that you will be good enough to state whether, in view of the amount of work which was carried out at your port when these vessels were converted for cargo carrying purposes, you are of opinion that the survey held by you in each instance might be considered as a Special Survey No.3, in order that the first Special Survey No.1 might be dated from the completion of your survey.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Surveyors,

HULL.
