Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

5th November, 1924.

Dear Sirs,

I am in receipt of your letter of the 4th instant respecting the fees due for the survey of the Trawler "JOSEPH GORDON", your Report No. 11942, and note that you have not rendered the account for the same. In these circumstances a debit note has to-day been forwarded to the Admiralty for the fees and expenses in question.

I would, however, point out that the fact that you filled in on your reports the date of application for the fees in this case as the 4th November, is misleading, and in future similar cases where fees are to be applied for from this Office it will be well if you will add a pencilled note to this effect.

I have also to acknowledge the receipt of your further letter of the 4th instant respecting the sale of the Admiralty Trawlers "JOHN COOPER", "JOHN LYONS", "JOSEPH GORDON" and "WILLIAM CUMMINS", and to say that due note has been taken of the new ownership.

I am, Dear Sirs,  
Yours faithfully,

Assistant to the Secretary.

The Surveyors,

SOUTHAMPTON.
