The Screwshaft Survey became due on this vessel
in August last.

In reply to enquiry the Montreal Surveyor forwards
a letter from the Owners intimating that they do not propose
to have the vessel retained in class.

The Classing Committee had the case before them
on Tuesday, the 19th instant, when they decided to give
instructions for the vessel's character to be withdrawn from
the Register Book and three dots (...) inserted in lieu thereof,
indicating withdrawal of class at Owners' request.
