# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

8th June, 1948.

Dear Sirs,

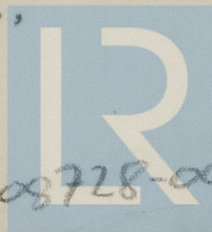

S.

I have to acquaint you that the Committee have recently had under consideration the case of the trawler "DRUMSHEUGH", and in view of the fact that no surveys have been held on this vessel since December, 1939, they have given instructions for the vessel's class to be deleted from the Register Book.

Yours faithfully,

Clerk to the  
Classification Committee.
