SIR WILLIAM REARDON SMITH & SONS

Colum Buildings,  
Mount Stuart Square,  
CARDIFF.

Superintendents' Dept.

17th June, 1949.

Dear Sirs,

S.S. "BRADBURN"

Your letter of the 16th instant to hand in connection with the Annual Survey due on this vessel on the 20th July and have to advise that the Master is being instructed to have the necessary Survey carried out at the first suitable port in the East where vessel is due about the middle of next month.

This is receiving our special attention as it is more than likely that vessel will not proceed homewards from the Eastern discharge port.

Yours faithfully,

(Signed)

Director.
