New York 4, N.Y.

S/S "MAR CHETO" Supplement #35061.

Dear Sir:-

With reference to the boiler repairs my report #7314, carried out on the above vessel, I wish to point out that, as no Registro Italiano Documents were on board the vessel at the time of survey, and in spite of the Italian Registry, the vessel is in fact not classed R.I.

Under the circumstances, I have treated this as a straight L.R. vessel, and I trust this will be found in order.

Yours faithfully,

JS/mp

*John Sims*  
Surveyor.
