Oslo, 22nd June, 1962.  
Tollbugaten 27

REC  
25 JUN 1962

Dear Sir,

M.S. "ETNEFJELL".

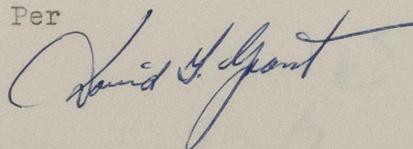

With reference to your letter of 13th June, 1962, regarding the classification of this ship, I have approached the Owners now and previously, regarding the matter and regret that the vessel will be transferred to N.V. Class during the conversion at Hartlepool. The reasons behind the transfer cannot be ascertained as the Owners and Technical Department would not commit themselves but agreed on Monday that they would write officially regarding the transferring of classification but no letter has, as yet, been received here.

As soon as we hear further from the Owners we will let you know.

Yours faithfully
