C  
Dear Sir,

Motorship "ETNEPJELL"

Reverting to your letter of the 24th March regarding the possible transfer of this ship's classification to another Society during the forthcoming conversion, I think it well to let you know that Mr. Heap was asked to make discreet enquiries and he has now been advised by the repairers, confidentially, that the class is to be transferred to the N.V. at the time of the conversion.

From his conversation with the repairers, Mr. Heap believes that the Owners allege this decision arises from the time taken to approve conversion plans, but in this case it can be said that no plans were submitted to this office. Further, the repairers themselves would prefer to deal with this Society bearing in mind the prompt attention which they receive.

If you consider it will serve a useful purpose, perhaps you will approach the Owners direct, with a view to the Society's classification being maintained.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

D.T. Grant Esq.,  
OSLO.
