14th December, 1956.

Dear Sirs,

Steamer "MARIALAURA"

I have to acknowledge receipt of your letter of the 30th ultimo respecting the Boilers of this ship, and note your remarks.

The case has received the consideration of the Committee at their meeting today, but before agreeing to the Owners' proposal they consider that an opportunity should be afforded the Society's Surveyors in Japan to make a further examination of the stoppered and burned tubes in the centre boxes of the port and centre boilers.

I shall be glad if you will inform the Owners accordingly and ascertain from them the port in Japan at which this examination will be held, so that the local Surveyors may be instructed.

Yours faithfully,

c.c. Gen.

Clerk to the  
Classification Committee.

The Surveyors,  
NAPLES.
