Ans'd

Dear Sir,

S/S "MARIALAURA"

We are in receipt of a letter from the Owners of the above vessel and give herewith a free translation:-

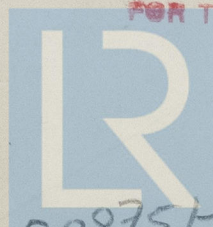

" As you know the above vessel has had the Port and
"Centre Boilers examined at Chittagong on the 19th Nov.
"1956. The Surveyor recommended that same stoppened and
"thin smoke tubes be re-examined and dealt with as
"necessary before the end of December 1956.

" Given that the ships is already chartered from Japan
"to Mediterranean, that we have already planned to renew
"all the tubes in the boilers and that the tubes are ready
"at the Dalmine tube makers, in proof we enclose photocopy
"of Dalmine letter dated 14.9.56, we would ask for a
"postponement of the recommendation made at Chittagong
"until the Ships' returns to Italy in continuation of her
"present voyage from Japan to Mediterraneo, possibly
"via China.

Yours faithfully,

The Secretary
L o n d o n
