Port CALCUTTA

28th November, 1956.

This is to Certify that I have

Port & Centre  
Surveyed the Boiler ~~S~~ and Machinery of the S.S. "MARIALAURA"  
7141 tons gross of Rome on the 19/11/56 whilst vessel lay  
afloat at Chittagong to progress Boiler Survey,  
and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection therewith have  
been carried out to my satisfaction, and that I have  
Recommended that the record of B.S. 5/56

be made in the Register Book in the case of this vessel. , when the  
survey has been completed, subject to the tubes fitted with  
stoppers and the burned tubes in centre boxes of Port & Centre  
rs being dealt with before the end of January, 1957.

*E. D. Cook*

E. D. COOK.

P. T. O.

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—  
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed,  
it shall be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be  
responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register  
or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member  
or the Surveyors, or other Officers or Agents of the Society."

E.D. COOK

Engineer Surveyor to Lloyd's Register

A Certificate is issued from the terms of the Rules and Regulations of the Society, which provide that:—  
 the Committee of the Society has endeavoured to ensure that the functions of the Society are properly executed,  
 the understanding that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be  
 responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register  
 or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member  
 or the Surveyors or other Officers or Agents of the Society.

Has a Survey also been held on Ship?  
 If so, is the Report sent now, or when will it be sent?
