

6th August, 1948.

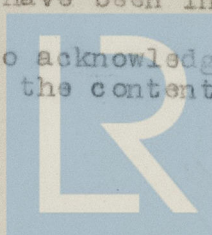

SINGAPORE.

7635,49. As recommended.

7631,32. "NORVEST" Pending completion of the Classification Survey on the machinery, this vessel has today been assigned notations of S.S. Sng - 4,48 and S. 10,47 with docking date of 4,48.

In view of your statement that the centre-line bulkhead has not yet been tested separately, as it is not intended to carry mixed cargoes, the Committee have amended the class notation to "Carrying homogeneous cargo of Petroleum in bulk", this notation to be maintained in the Register Book until the centre-line bulkhead has been satisfactorily repaired and tested. The Anglo-Saxon Petroleum Co. Ltd., in this city, have been informed accordingly.

I take this opportunity to acknowledge the receipt of your airmail letter of the 20th ultimo, the contents of which have been duly noted.
