9th May, 1962.

Dear Sirs,

"DRACONE D22".

C.  
AH/SM

Further to my letter of the 8th instant, concerning Dracones "D7", "D20" and "D21", attention has been drawn to the case of this dracone belonging to the same Owners, and which will become due for Annual Examination next month. It is concluded that the Owners will not wish to continue the class of this flexible container, but I shall be glad to have your confirmation of this point before the case receives the consideration of the Committee.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
DJAKARTA.
