Dear Sir,

"BRACONGLEN"

With reference to your letter of 30th March, and previous correspondence regarding this trawler's Special Survey, your letter of March 2nd was duly transmitted to the Fisheries Department by registered post, but a reply has not been received. I have also had two telephonic conversations with the Director of Fisheries regarding this ship but he could or would not commit himself to any definite decision.

Yours faithfully,

SURVEYOR TO LLOYD'S REGISTER OF SHIPPING

The Secretary,
LONDON.
