28th December, 1961.

Dear Sirs,

Steamer "BRACONGLEN".

C.

AH/SM

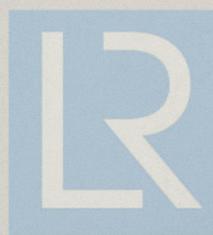

I acknowledge receipt of your letter of the 19th instant, the contents of which have been noted.

I shall be glad if you will explain to the Owners that the year of grace within which all requirements of Special Survey should be complied with will expire at the end of January, 1962, and consequently arrangements should be made for the oil fuel bunkers (port and starboard) to be tested, and the equipment on board placed in accordance with Rule requirements by that time. Their definite and early proposals in this respect are awaited.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
COLOMBO.
