Dear Sirs,

s/s " ZAHRA "

We wish to refer to your letter of 15th December to which a copy of the letter from Lloyd's Register of Shipping dated 9th December 1953 was attached.

In the meantime we have succeeded in obtaining the import license required for the port bower anchor and the anchor chain and immediately ordered this material from England.

We have also received the condenser tubes and we hope to be able to equip the s/s ZAHRA with all this material towards the end of January or early in February.

Mr Bachellerie will be advided in due time for the survey involved.

Yours very truly,

SOCONY VACUUM OIL COMPANY, Inc.
