All the above mentioned ships are classed
*100A1 "Carrying Petroleum in Bulk".

All three ships are presently laid
up at Maracaibo.

In a cablegram received 16.8.54,
through Lloyds London, from Lloyd's Agents
at Caracas there is an enquiry as to our
requirements to enable the ships to proceed
in ballast to British Columbia.

IT IS SUBMITTED that the foregoing
request might be approved, provided
a comprehensive General Examination *in dry dock.*
on each ship is held and each found
or placed in a satisfactory condition
for the proposed voyage.
