The Secretary,  
NEW YORK

Dear Sir:

"GULFOUFEN"  
Baltimore Report No. 11765

We have your letter of November 27, 1959, stating that you have been advised by the Owners of the above vessel that the alternator in the after turbo generator was renewed during survey at this port in October last.

This alternator, stated to be a guarantee item was renewed at this port and the generator satisfactorily tested under working conditions.

It is regretted this information was omitted from the report.

Yours very truly,  
*E. Higgins*
