Dear Sir,

M.T. "GULL"

I forward herewith copy of a letter dated the 30th ultimo, received from The General Steam Navigation Co. Ltd., in which it will be seen that they desire to withdraw the above vessel from class.

I have pointed out to Mr. Evans, the Owners' Superintendent, that the Special Survey was completed in 11,56 and that with the exception of the Modified Survey of Machinery due 11,58 the vessel remains classed until 11,60 when the Owners, if they so wished could withdraw.

Mr. Evans has pointed out the above to his directors and whilst thanking us for our interest in advising them that the class will run in any case until 11,60, in view of the smallness of this craft, they do not consider classification is warranted.

Yours faithfully,
