Calle 25 de Mayo 158,

BUENOS AIRES, 8th. November 1958.

All communications to be addressed to  
THE SURVEYORS

Dear Sir,

M.V. "ISLAS MALVINAS".

We have to acknowledge receipt of your letter  
Ref. Classn(H) dated 22nd. ult: requesting any further  
information regarding this case.

The Owners Representative has been made fully  
conversant with the subject of this vessel's class  
condition and they appear verbally prepared to leave  
machinery Reclassification Surveys outstanding indicating  
that this together with Special Survey (Hull) will  
receive their attention when the vessel returns to either  
the builders or some other foreign dockyard capable of  
attending to these matters.

They are not at present prepared to indicate  
when this will take place but for the sake of good order  
we are to-day writing them officially asking their  
intentions and we shall keep you informed of their reply  
when received.

Yours faithfully.  
for The Surveyors.

The Secretary.
