Enclosure

2nd October, 1951.

Classn (S)

Dear Sirs,

EJB

Twin Screw Motor Tankers "ISLAS MALVINAS"  
and "ISLAS ORCADAS"

I have to acknowledge the receipt of your letter, of the 11th instant respecting the above mentioned vessels, and note the contents.

As nothing was known in this Office regarding reinforcement of the forward bulkhead of the main pump room, the matter was referred to the Society's Surveyors at Gothenburg, and for your information, I think it well to enclose a copy of their reply.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
BUENOS AIRES.
