ENCLOSURE.

Dear Sirs,

I have to acknowledge the receipt of your letters of the 2nd and 17th instant relative to the tug "MAURICE" which, according to our records, is laid up at Port Luis, Mauritius. With regard thereto I have to inform you that so far as the hull is concerned the requirements of a Special Survey (C) require to be carried out by an Exclusive Surveyor to the Society in order that the vessel's class may be reinstated. A complete Special Survey of the machinery and inspection of the boiler, screwshaft and steam pipes also require to be held.

For your guidance I enclose a booklet giving extracts from the Society's Rules and your attention is drawn to Chapter C.

It will be appreciated that no Exclusive Surveyor to this Society is stationed at Port Louis, Mauritius.

Yours faithfully,

Clerk to the
Classification Committee.

Messrs. Leake & Wilson,
Oriel Chambers,
27 High Street,
HULL.
