Sir,

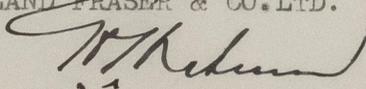

" TUG MAURICE "

We beg to refer to your letter of the 14th September concerning the special survey of the above tug and give you under extract of a letter received from The Harbour Master:-

" Further to my letter of even number dated 1st September 1953, I beg to advise you that the tug "Maurice" is to be laid up, pending disposal, at the end of this month, when the new tug "BETTY" is put in service. In view of this, it is not intended that the tug "Maurice" should undergo the Special Survey now due.

It would rest with the new owners of the vessel to have this carried out in order to re-class the vessel or not as they think fit. "

Yours faithfully,  
for IRELAND FRASER & CO. LTD.
