Dear Sir,

TUG "MAURICE"

We beg to acknowledge receipt of your favour of the 14th instant wherein you authorised the Periodical Special Survey (6) due to be held on the above mentioned vessel to be postponed until October next.

In reply to the final paragraph of your letter, we beg to state that we propose to appoint Mr. G. Piveteau to perform the necessary survey. With regard to this gentleman's qualifications, as we advised you at the time you authorised us to appoint him as a Marine Surveyor, he is a retired Chief Engineer formerly in the employ of the British India Steam Navigation Co. Ltd. He has been performing surveys at our request for over two years and as far as we know is fully competent.

As far as we can ascertain, there is no other Surveyor here with higher qualifications than Mr. Piveteau and we would ask you to kindly give us your instructions in this matter by an early opportunity.

Yours faithfully,  
for IRELAND FRASER & CO. LTD.
