Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

16th November, 1926.

Dear Sir,

S. With reference to Glasgow Report No. 45594 on the boiler No. 1865 made by The Forth Shipbuilding & Engineering Co. (1921) Ltd. for the Steam Tug "MAURICE", I have to acquaint you that this vessel has to-day been classed +100A1 For Towing Services, with notations of Lloyd's A & CP and +LMC 11.26 O.G.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW.
