Dear Sirs,

Steamers "NAVEN HEMBURY"
 "NAVEN MONICA"

I acknowledge the receipt of your letter of 28th April and 2nd instant.

The position in these cases is that the Committee decided on 13th April to withdraw the class of each ship if the Boiler Surveys were not held immediately and as this requirement has not been fulfilled, the Committee's decision has now been implemented.

If the Owners desire reinstatement of class on the return of either ship to your port, you should seek instructions from this office as to the nature of the survey required, particularly bearing in mind the fact that the period of validity of the modified Special Survey in the case of the "NAVEN MONICA" has also expired.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
RIO DE JANEIRO.
