VESSEL'S NAME Stl. Sc. "BRANT COUNTY" Report Lon. No. 87292A

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report 24/5/92.)

Nature of Survey

When due

The class of this vessel is subject to permanent repairs being effected in way of No.1 tank at a convenient opportunity, and to the bow plating, etc. damaged through encountering ice, being examined at the next dry docking and repaired as considered necessary.

The s,s.No.2 will become due at the end of the present month.

The Owners now state they have been obliged to class the vessel with the Norske Veritas and they must allow the class with this Society to expire.

It is submitted the vessel's class be withdrawn from the Register Book and three dots (...) inserted in lieu, indicating withdrawal of class at Owners' request.

Withdraw Class.
