ENCLOSURE.

10th May, 1921.

Dear Sirs,

H. I am in receipt of your letter of the 7th instant respecting the steamer "LENNEP", and enclose herewith for transmission to the Owners a letter addressed to the Assistant Secretary, Marine Department, Board of Trade in regard to the classification of this vessel in the Society's Register Book.

I may say it is concluded from your survey of the vessel you are of the opinion that the class might be assigned subject to the examination of the coal bunkers, side, cross, and tween decks, the examination of the ballast tanks, and the verification of scantlings in way of same at the earliest opportunity.

You will be so good as to advise me however whether this is so.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWCASTLE-ON-TYNE.

Secretary.
