communications to be addressed to THE SURVEYORS.

Dear Sir,

In reply to your letter "M" of the 21st inst., we have been in communication with Messrs TITO CAMPANELLA Società di Navigazione, the new Owners of the steamer "**LIBASIDE**" now called "**GALATA**" who inform us that a Sulzer motor made by Cant. Officine Savoia of Genoa, is now being installed on board in this port by the Officina Campanella and that the work of installation is almost completed.

The Owners will inform us later as to whether it is their desire to retain the classification of the vessel with this Society.

A further communication will therefore be sent to you in due course on this point.

Yours faithfully

H. J. Lambell

The Secretary,  
London.
