Received from Chief Ship Surveyor

VESSEL'S NAME Stl. S/S "LEASIDE" ex "KILDAVIN" Rpt. Sou. No.11041

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

This vessel, which was surveyed for classification at Southampton in October 1921, was classed 100 A1 and notation of SS. Cws. No. 1.21 was assigned.

The Owners now desire that the above notation might be amended to a notation of SS. No. 3 and the Southampton Surveyors state, in reply to enquiry, they are of the opinion that the Survey carried out by them would entitle the vessel to the notation desired by the Owners.

It is submitted the vessel appears worthy to remain as classed and to have the Notation SS. No. 1.21 amended to SS. Cws. No. 3-10.21.
