My Dear Stevens,

Hull, 7th October, 1942.

On the 15th June last we sent to you the Special Survey Request form for Cochrane's Yard Nos. 1261/2. We do not appear to have received the authorisation yet, but I assume the matter is in order. I shall be glad if you can let me have an authorisation form at your convenience to keep our records right here.

With kind regards,  
Trusting you are keeping fit and well,  
Yours sincerely,

J.C.Stevens, Esq.,
