The First Special Survey No. 1 became due on this vessel in December last, and in reply to inquiry the Owners now state that circumstances make it necessary for this small vessel (which is stationed at Colombo) to be withdrawn from the Society's class.

The case received the consideration of the Classing Committee on Tuesday, the 10th instant, when it was decided to give instructions for the vessel's class to be withdrawn from the Register Book, and three dots (...) inserted in lieu, indicating withdrawal of class at Owners' request.
