HANDELSKADE 1,

WILLEMSTAD. CURACAO. D. W. I.

MAIL ADDRESS: P. O. BOX 169.

July 8th., 1929.

The Secretary,  
London.

Dear Sir,

I beg to confirm having sent you a radio message today in the Society's Code, to be translated as follows:

"ZULIA what is diameter of crankshaft minimum approved".

The engines of the M.V. "ZULIA" are at present undergoing an extensive overhaul and the matter of the diameter of the crankshaft becomes an important factor.

I desire to know the designed and approved diameter of the crankshaft for the reason that I have failed to ascertain definitely and accurately from the engineers on board the actual cylinder pressures.

I am, Dear Sir,

Yours faithfully,

HM/EV.
