QUESTION.

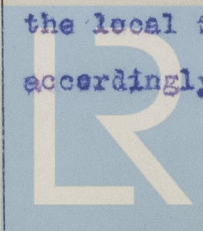

I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to have the Modified Survey of the Oil Engines, which became due at the end of November last, carried out.

ANSWER.

Date:— Hamburg, 28.2.29.--

The Owners in reply to an enquiry from this Office state that this vessel is presently engaged in the coasting trade in the Caribbean Sea and is not expected, to return to Europe in the near future. It is however proposed that the modified survey of the oil engines might be carried out at Willemstad, Curacao, in the course of April, and the Owners have informed their Representatives at that port to make arrangements with the local Surveyor of this Society accordingly.
