The Secretary

London.

Dear Sir,

I forwarded to-day per commercial paper post the report on electric lighting and power installation of the twin screw motor vessel "D o r d r e c h t" together with a wiring diagram, as fitted in the vessel. As we have not had a combined lighting and power plant before we shall be glad to hear which ree should be charged in this case.

I am, Dear Sir,

Yours faithfully

A. B. J. B.
