The Second Special Survey No.2 of this vessel
became due in November last.

The Owners now state, however, that they have
decided to withdraw the steamer from the Society's Classification,
and in the circumstances the Classing Committee, who had the case
before them on Friday, 23rd instant, decided to give instructions
for the vessel's character to be withdrawn from the Register
Book and three dots (...) inserted in lieu thereof, indicating
withdrawal of class at Owners' request.
