Classn(S) Dear Sirs,
EJBSteamer "PUNGUE"

Your Report No.6241 has received the consideration of the Committee to-day, and your recommendations have been confirmed.

While the Committee are prepared to allow the question of the Special Survey to remain in abeyance in the meantime, they are not agreeable to an indefinite postponement, having regard to the age of the ship and the repairs recommended, and in these circumstances, I shall be glad if you will communicate to this Office the Owners' definite proposals in regard to this survey at the earliest possible date.

Yours faithfully,

Assistant Clerk to the
Classification Committee.The Surveyors,
