WOKINGHAM COPY

4 Certificates enclosed.

26th March, 1945.

P. Dear Sirs,

In compliance with the request contained in your cablegram, I enclose four Load Line Certificates for the "PUNGUI" for issue when the conditions of assignment have been complied with, the survey completed and the dates of issue and expiry inserted.

It is noted that in the assignment letter of the 13th instant the Fresh Water and Tropical Freeboards were given as 1.473 metres from the deck line. This was incorrect and should have been 1.483, the allowance viz. 1.55 being correct. It is concluded that the freeboards have been correctly marked.

At the same time I have to inform you that four certificates for the "SANTA PRINCEZA" were forwarded to you from this office on the 9th ultimo.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
LISBON.
