LLOYD'S REGISTER OF SHIPPING

2nd September, 1955.

Dear Sir,

Steamers "RIO DAS ANTAS" and  
"LLOYD CUARTO"

I have your letter of the 16th August and am obliged to you for the information contained therein.

As the class of each ship has already been suspended owing to overdue surveys, you are quite correct in stating that a full Special Survey of hull and machinery will be required in each instance.

The Survey concerned should be a Special Survey (C), but bearing in mind the age of the ships and the fact that the next drilling surveys become due in 1957 and 1958 respectively, it might be as well to approach the Owners about carrying out a Special Survey (D) on this occasion.

Yours faithfully,

Deputy Clerk to  
the Classification Committee.

M. Caldwell, Esq.,  
RIO DE JANEIRO.
