I am in receipt of your letter of the 13th
respecting the vessels "RIO DAS ANTAS" and "LLOYD CUARTO"
reply thereto I have to inform you that neither of the
has yet come under survey. The owners' advise, however, that
the vessel should arrive in this port next week and that
and to dock the vessel on completion of discharge. They
that the "RIO DAS ANTAS" has been detained in the port of
longer than anticipated but that it is hoped she will also
this port shortly. It was pointed out to the owners, by
that the vessels were considerably overdue for the
question.

With further reference to the steamer "SANTA BARBARA",
have requested from this office a list of the shell and
requiring renewal with a view to seeking reclassification.
Information has been forwarded and any further developments will
in due course.
