In reply to your letters of the 19th and 25th regarding the due and overdue surveys of Screwshafts on the above named vessels the owners have now to this office as follows:-

The "Rio das Antas" is at present in the port of from where she will return to Rio de Janeiro when all ding surveys will be complied with.

The "Lloyd Cuarto" is at present on voyage to the f Brazil, but as soon as she returns to this port all ding surveys will be carried out.
