Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

21st January, 1935.

Dear Sir,

It is observed from the Seattle accounts that up to the 31st December last payment had not been made of the fees and expenses charged for the classification survey of the S.S. "WILLIAM LUCKENBACH" ex "RAPPAHANNOCK", Seattle reports Nos. 2505/6. This non-payment is delaying the posting of the records of classification against the vessel's name in the Register Book, and, having regard to the fact that the account was rendered so long ago as 1st September 1934, it is thought that steps might now be taken with a view to expediting a settlement. I shall therefore be glad if you will be so good as to take the matter up with the Society's Surveyor at Seattle, and request him to cable to this office immediately payment has been received.

I am, Dear Sir,

Yours faithfully,

James French, Esq.,
NEW YORK.
