Reference

The Secretary,  
LONDON.

Dear Sir,

First entry report of m.s. "SVEN SALÉN" - Eriksb.304.

At the moment of despatching this report it is

not known whether the "As fitted" plans, which are under separate cover, can also be transported.

The scantlings given on the report have therefore been verified by me with the approved and "As fitted" plans and found in order.

I am, Dear Sir,

Yours faithfully,

*S. Townshend*
