

Holbergsgade 11

25th November, 1947.

Dear Sir,

s.s. "DUNJA"

S.

I have to acquaint you that in September last the Society's Surveyors at Copenhagen informed this Office that the classification of this vessel had been transferred to the Bureau Veritas. They were accordingly requested to obtain written confirmation of this fact from you.

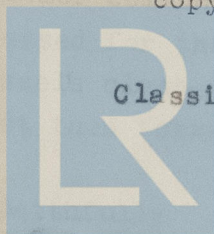

No communication has since been received from you and in the circumstances, in view of the fact that this vessel is now so long overdue for boiler survey, the Committee have had no option but to give instructions for the vessel's class to be expunged from the Register Book with a Red Line, indicating non-compliance with the Society's Rules.

Yours faithfully,

C. W. Folting, Esq.,
Kraesthusgade, 6,
COPENHAGEN,
Denamrk.
